

Mortgage Bankers Association of Alabama is excited to invite you to participate in our annual Holiday Gift-Giving Program in collaboration with the Salvation Army! This heartwarming initiative allows you to bring joy and smiles to children and families in need this holiday season.

Here's how you can get involved:

1. **Adopt an Angel**: By adopting an angel, you will select a child who needs your support. To request your angel, simply email Mindy Hill at mhill@mylocal.bank and let her know how many angels you would like to adopt.
2. **Shop for Gifts**: Once you receive the information about your angel, we encourage you to shop for thoughtful gifts that will bring joy during this festive time. If you would rather donate money, we will shop for you. It is recommended that we spend at least \$100 on each angel.
3. **Join Us for the Christmas Social Event**: After you've picked out your gifts, please bring them unwrapped to our Christmas social event. We will bag the gifts together and prepare them for pickup by the Salvation Army.

Let's come together to make this holiday season special for those in need.
Your generosity can make a significant difference in our community!
